Report Period: April 1, 2014 to March 31, 2015 (Government fiscal year 2014/15)

Description and Notes:

Community organizations may be eligible for government community gaming grants to support their programs and services. Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / sector.

- Unused grant funds that were returned during the fiscal year are shown at the end of this report.

- Some organizations receive grants in more than one category; therefore the number of unique organizations receiving grant payments is usually less than the number of grants paid.
